## ORIENT-EXPRESS SAFARIS, BOTSWANA

Orient-Express Hotels is able to provide a distinctive safari experience in Botswana, north of South Africa, with Orient-Express Safaris. Botswana is renowned as one of the world's last great, true wilderness areas and presents unprecedented gameviewing opportunities. Orient-Express Safaris offers three luxury lodges in three diverse regions of this unspoilt wilderness: Khwai River Lodge, Eagle Island Camp and Savute Elephant Camp.

KHWAI RIVER LODGE  
*Moremi Wildlife Reserve*

Step out of your luxury tent and, from the privacy of your deck, gaze onto hippo, elephant and abundant birdlife in the Khwai River. Close on the borders of the famous Moremi Wildlife Reserve and shaded by ancient leadwood and fig trees, Khwai River Lodge lies literally on the banks of the river. This is the realm of the predator and its prey. The lodge offers both conferencing and teambuilding facilities.

EAGLE ISLAND CAMP  
*Okavango Delta*

Beneath a cool canopy of indigenous trees, Eagle Island Camp peers out from its watery base in the Okavango Delta on Xaxaba – 'island of the tall trees'. Built to blend into its surroundings, the camp affords guests the opportunity of extremely close encounters with the likes of hippo, elephant, giraffe and other large game from the safety and luxury of the camp's deck or one of its twelve elegant yet unobtrusive tents. The camp also offers intimate conference and meeting facilities as well as teambuilding programmes.

**SAVUTE ELEPHANT CAMP**  
*Chobe National Park*

In a river channel parched by two decades of drought, lies Savute Elephant Camp. The camp takes its name from Savute Channel, a mysteriously dry river bed in the Chobe National Park. The region is famed for one of Africa's largest concentrations of elephant. It offers guests the opportunity to get close to these grey giants and other large game under the skilled guidance of expert guides on game drives. San tribal rock paintings dot the nearby hills and birdwatching in the region is excellent. Conference and teambuilding facilities are available.
